TERA CHESS

Chess Game Analysis Worksheet

Choose one decision from a completed game. Write your first view before using the engine.

Game link or PGN filename

Move number and side to play

Clock before the move (if known)

Before checking

Original move and what I wanted it to do

Opponent reply I expected (write unknown if you cannot recall)

One other move I considered or want to compare

After checking

Verified reply and the first move that explains the result

Alternative move and a checked reply

What changed on the board?

Next practice

When I see this cue, what will I check?

Fresh position or next game to test it
